

Central Intelligence Agency

Washington, D.C. 20505

Dear Charlie:

Thank you for the excellent USICA publication chronicling United States Arms reduction initiatives since World War II. This document puts much needed perspective on the efforts of our government to gain control of the arms spiral. I am sure that this document, together with the pamphlet you mention, will be greatly appreciated by our European allies.

Sincerely,

*WJC*

William J. Casey  
Director of Central Intelligence

The Honorable  
Charles Z. Wick
